

GOLDSKY RESOURCES CORP.

INSIDER TRADING POLICY

1.0 Introduction

The Board of Directors (the "**Board**") of Goldsky Resources Corp. ("**Goldsky**") has determined that Goldsky should formalize its policy on securities trading by directors, senior executives and employees and other Insiders in accordance with applicable securities laws and regulations. Unless otherwise stated, all defined terms used in this Policy have the meaning set out in Schedule "A".

2.0 Objective of this Policy

Trading while in possession of material non-public information, and informing others of such material non-public information, is a violation of securities and criminal laws. The purpose of this Insider Trading Policy (this "**Policy**") is to provide guidelines and restrictions applicable to: (i) trading in Securities of Goldsky; and (ii) communication of Material Non-Public Information (as defined in section 6.1).

The guidelines set out in this Policy supplement those set out in Goldsky's *Corporate Disclosure Policy*. This Policy applies to Goldsky and each of its subsidiaries. Accordingly, this Policy will refer to Goldsky Resources Corp. and its subsidiaries collectively, as "Goldsky".

3.0 Application of this Policy

This Policy applies to all Insiders of Goldsky, and any person who receives Material Non-Public Information from any such Insider in respect of trading in Securities of Goldsky (including shares, convertible securities, options, restricted share units and other securities as defined in Schedule "A" to this Policy).

4.0 Communication of this Policy

Copies of this Policy are made available to directors, officers, employees and consultants, either directly or by posting of this Policy on the Goldsky website at <https://goldskyresources.com>. All directors, officers and employees will be informed whenever significant changes are made. New directors, officers, employees and consultants will be provided with a copy of this Policy.

5.0 Administrative Responsibility

5.1 Compliance Officer

The Chief Financial Officer will act as the compliance officer (the "**Compliance Officer**") for this Policy, and shall be responsible for its day-to-day administration, as well as monitoring and enforcing compliance with this Policy. The Compliance Officer may designate one or more individuals to assist in the administration of this Policy.

6.0 Specific Policies

6.1 *Material Non-Public Information*

Material Non-Public information of Goldsky is Material Information (as defined in Schedule "B"), which has not been "**Generally Disclosed.**" In order to be "Generally Disclosed," information must:

- (a) consist of readily observable matter;
- (b) be disseminated to the public by way of a news release together with the passage of a reasonable amount of time for the public to analyze the information; and
- (c) have been made known in a manner that would, or would be reasonably likely to, bring it to the attention of persons who commonly invest in Securities of a kind whose price might be affected by the information and, since it was made known, a reasonable period for it to be disseminated among such persons has elapsed.

Unless otherwise advised that the period is longer or shorter, for the purposes of paragraphs 6.1(b) and 6.1(c), a reasonable amount or reasonable period of time will have passed at the close of business on the second day on which the TSX Venture Exchange is open for trading ("**Trading Day**"), after the Material Non-Public Information has been Generally Disclosed.

Any person, who has knowledge of Material Non-Public Information with respect to Goldsky, must treat such Material Information as confidential until the Material Information has been Generally Disclosed. Refer to Goldsky's *Corporate Disclosure Policy* for further information on the treatment of confidential information.

Material Non-Public Information shall not be disclosed to anyone in any circumstances if the person considering making the disclosure knows, or ought reasonably to know, that the person to whom the Material Non-Public Information is being disclosed would or would be likely to:

- apply for, acquire, or dispose of, Securities, or enter into an agreement to apply for, acquire, or dispose of, Securities; or
- procure another person to apply for, acquire, or dispose of, Securities, or enter into an agreement to apply for, acquire, or dispose of, Securities.

Where the above is not applicable, Material Non-Public Information shall not be disclosed to anyone except in the "necessary course of business" (as defined in section 6.3). If Material Non-Public Information has been lawfully disclosed in the necessary course of business, anyone so informed must clearly understand that it is to be kept confidential, and, in appropriate circumstances, execute a confidentiality agreement. When in doubt, all persons to whom this Policy applies must consult with the Compliance Officer to determine whether:

- disclosure in a particular circumstance is in the necessary course of business; and
- the person proposing to make the disclosure knows, or ought reasonably to know, that the person to whom the Material Non-Public Information is being disclosed would or would be likely to apply for, acquire, or dispose of, Securities, or enter into an agreement to apply for, acquire, or dispose of, Securities or procure another person to apply for, acquire, or dispose of, Securities, or enter into an agreement to apply for, acquire, or dispose of, Securities.

For greater certainty, disclosure to analysts, institutional investors, other market professionals and members of the press and other media is a form of "Tipping" (as defined in section 6.3) and will not be considered to be in the necessary course of business.

6.2 Trading of Goldsky Securities

Insider Trading, for the purpose of this policy, refers to the purchase or sale of Securities by a person with knowledge of Material Non-Public Information, whether or not they are in a "Special Relationship" with Goldsky ("**Relevant Insider**"). Insider Trading is illegal and strictly prohibited by this Policy. For greater certainty, examples of prohibited transactions by such a person would include, but are not limited to the following:

- (a) buying or selling Securities of Goldsky;
- (b) buying or selling Securities whose price or value may reasonably be expected to be affected by changes in price of Securities of Goldsky;
- (c) selling Securities acquired through the exercise of share options; and
- (d) buying or selling Securities of another company in which Goldsky proposes to invest or where the individual, in the course of employment with Goldsky, becomes aware of Material Non-Public Information concerning that other company.

6.3 Tipping

Goldsky, as a reporting issuer, and/or a person or a company who is a Relevant Insider may not inform, other than in the necessary course of business and then only in certain circumstances, another person or company of Material Non-Public Information. This activity, known as tipping ("**Tipping**"), is prohibited because it places Material Non-Public Information in the hands of a few persons and not in the hands of the broader investing public.

Subject to certain limitations discussed below, there is an exception to the prohibition on Tipping if selective disclosure is required in the necessary course of business.

The question of whether a particular disclosure is being made in the necessary course of business is a mixed question of law and fact that must be determined on a case-by-case basis. However, the necessary course of business exception would generally cover communications with:

- (a) vendors, suppliers, or strategic partners on issues such as research and development, sales and marketing, and supply contracts;
- (b) employees, officers, and Board members;
- (c) lenders, legal counsel, auditors, underwriters, and financial and other professional advisors to Goldsky;
- (d) parties to negotiations;
- (e) labour unions and industry associations;

- (f) government agencies and non-governmental regulators; and
- (g) credit rating agencies (provided that the information is disclosed for the purpose of assisting the agency to formulate a credit rating and the agency's ratings generally are or will be publicly available),

(together "**Excepted Disclosure**").

However, and as noted above, this exception to Tipping will not apply where the person proposing to make the disclosure knows, or ought to reasonably know, that the Excepted Disclosure to the relevant party would or would be likely to result in such party:

- applying for, acquiring, or disposing of, Securities, or entering into an agreement to apply for, acquire, or dispose of, Securities; or
- procuring another person to apply for, acquire, or dispose of, Securities, or enter into an agreement to apply for, acquire, or dispose of, Securities,

in breach of the relevant Insider Trading prohibitions.

6.4 Insider Trading Reports

Under Canadian securities legislation, subject to certain exceptions, Insiders that are deemed to be "Reporting Insiders" of Goldsky are required to file an initial insider trading report within ten (10) days after becoming a Reporting Insider electronically through the System for Electronic Disclosure by Insiders ("**SEDI**") at www.sedi.ca.

Reporting Insiders are further required, subject to certain exceptions, to file an insider trading report on SEDI within five (5) days of a change in: (i) the beneficial ownership of, control or direction over, whether direct or indirect, Securities of Goldsky; or (ii) a change in an interest in, or right or obligation associated with, a Related Financial Instrument involving a Security of Goldsky.

Reporting Insiders must also file an insider trading report within five (5) days if the Reporting Insider enters into, materially amends, or terminates an agreement, arrangement or understanding that (i) has the effect of altering, directly or indirectly, the Reporting Insider's economic exposure to Goldsky; or (ii) involves, directly or indirectly, a Security of Goldsky or a Related Financial Instrument involving a Security of Goldsky.

It is the responsibility of each such person to set up and maintain their SEDI profile and to make the necessary filings. However, Goldsky may assist Insiders in making such filings, provided such persons provide the necessary information to the Compliance Officer in a timely manner.

A person that is uncertain as to whether he or she is a Reporting Insider or whether he or she may be eligible to be exempted from these requirements should contact the Compliance Officer.

7.0 Guidelines

7.1 No Trade and Blackout Periods for Officers, Directors and Employees

The period beginning at the end of each quarter and ending two Trading Days (as defined in section 6.1) following the date of public disclosure of the financial results for that quarter (or fiscal year) (a "**No Trade Period**") is particularly sensitive, as officers, directors and certain employees may often possess Material Non-Public Information about the expected financial results for the quarter and year end.

Accordingly, to ensure compliance with this Policy and applicable securities laws, all directors, officers and employees shall refrain from any trading activities involving Securities of Goldsky during No Trade Periods.

From time to time, Goldsky may also institute additional trading restricted periods for directors, officers, selected employees and consultants and others because of the existence of Material Non-Public Information (a "**Blackout Period**"). In the event a Blackout Period or No-Trade Period is initiated, the Compliance Officer shall disseminate a notice to suspend trading in Goldsky's Securities, in the form attached hereto as Schedule "C", or other approval form, instructing those people not to engage in any trading of Goldsky's Securities until further notice, without disclosing the facts giving rise to or the imposition of such suspension of trading.

Even outside of Blackout Periods or No Trade Periods, any person possessing Material Non-Public Information on Goldsky should not engage in any transactions related to Goldsky's Securities until two Trading Days after such information has been publicly disclosed. All directors, officers, employees and other persons are expected to use their judgment in interpreting this Policy, and to err on the side of caution at all times. If in doubt, such person is required to contact the Compliance Officer.

At specific times, the Board may award long term compensation under any equity incentive plan implemented by Goldsky from time to time, or by other means. Under no circumstances will long term compensation awards related to Goldsky's Securities be made while a Blackout Period or No Trade Period is in effect. In the event that options or other Security related long-term compensation expire during a Blackout Period or No Trade Period, such expiry date will be extended as provided in any equity incentive plan implemented by Goldsky from time to time, or such other plan governing securities compensation matters, as applicable.

7.2 Pre-Clearance of Trades

Before initiating any trade in Goldsky's Securities, each person to whom this Policy applies must contact and get approval from the Compliance Officer. Each proposed transaction will be evaluated to determine if it raises insider trading concerns or other concerns under securities laws and regulations. Clearance of a transaction is valid only for a 48-hour period. If the transaction order is not placed within that 48-hour period, clearance of the proposed transaction must be re-requested. If clearance is denied, the fact of such denial must be kept confidential by the person requesting such clearance.

7.3 Short-Swing Trades

Goldsky recommends that, other than in the course of exercising an option, Insiders do not buy and sell its Securities within the same six-month period.

7.4 Short Sales, Call and Put Options

Insiders are not permitted to sell "short" or sell a "call option" on any of Goldsky's Securities or purchase a "put option" where they do not own the underlying Security or, in the case of a short sale, an option currently exercisable therefor.

7.5 Buying Goldsky Securities on Margin

Insiders are not permitted to buy Goldsky's Securities on margin.

7.6 Hedging

Insiders who are directors and Officers of Goldsky are not permitted to enter into any transaction that has the effect of offsetting the economic value of any direct or indirect interest of such Insiders in Securities of Goldsky. This includes the purchase of financial instruments such as prepaid variable forward contracts, equity swaps, collars or units of exchange funds that are designed to hedge or offset a decrease in the market value of equity Securities granted to such Insiders as compensation or otherwise held directly or indirectly by such Insiders.

8.0 Potential Criminal and Civil Liability and/or Disciplinary Action

8.1 Liability for Insider Trading in Canada

Under applicable Canadian securities laws, Insiders guilty of trading on Material Non-Public Information of Goldsky may be subject to:

- (a) penalties of up to the greater of \$5 million and triple any profit earned or loss avoided; and
- (b) imprisonment.

Additionally, such conduct may subject Goldsky or other investors to civil liability.

8.2 Liability for Tipping in Canada

Insiders may also be liable for improper transactions by any person commonly referred to as a tippee, to whom they have disclosed Material Non-Public Information about Goldsky or to whom they have made recommendations or expressed opinions on the basis of such information. The various Canadian securities regulators have imposed large penalties even when the disclosing person did not profit from the trading.

8.3 Possible Disciplinary Actions

Employees, officers, directors, consultants and contractors who violate this Policy will also be subject to disciplinary action by Goldsky, which may include restrictions on future participation in equity incentive plans or termination of employment.

9.0 Applicability of Policy to Insider Information Regarding Other Companies

This Policy and the guidelines described herein also apply to Material Non-Public Information relating to other companies, including joint venture partners, customers, vendors and suppliers of Goldsky (the "**Business Partners**"), when that information is obtained in the course of employment with, or providing services on behalf of, Goldsky. For the purposes of this Policy, information about Business Partners should be treated in the same way as information related directly to Goldsky.

10.0 Annual Certification

All directors and officers of Goldsky, together with any employees, consultants and contractors specified by the Board, shall provide annual certification of compliance with this Policy in the form attached to Goldsky's *Code of Business Conduct and Ethics*.

11.0 General

The Board may, from time to time, permit departures from the terms of this Insider Trading Policy, either prospectively or retrospectively. The terms of this Insider Trading Policy are not intended in and of themselves to give rise to civil liability on the part of Goldsky, its directors, officers or employees, to any third party, including to any shareholder, securityholder, customer, supplier, competitor, other employee or regulator, but shall give rise to liability to Goldsky.

12.0 Review of Policy

The Board shall annually review and evaluate this Policy.

13.0 Queries

If you have any questions about how this Policy should be followed in a particular case, please contact the Compliance Officer.
